“ Cretty was the first person I met when I moved to Astor. Out of that meeting grew a friendship that was unequaled to any you could imagine. Always there when you needed her and always with a smile. Her endless energy for the projects we shared and her knee slapping laughs for the fun times will be etched in our memory forever. She truly was one of a kind. We will miss her terribly. Our deepest sympathy goes out to the family. You can rest easy knowing that God has reserved a special place for our dear friend Cretty.
