“ I will always consider you guys my mother and father in law, and Cristi my sister in law. As soon as I heard this music and saw her picture I lost it. I am still in disbelief and can't grasp she was taken. I have no idea how anyone deals with a loss of a child....I miss you guys and will forever miss Cristi and remember the fun times we shared many years ago. I love you guys and Cristi joins many other loved ones we have said farewell to. May you find peace in knowing she is in Gods loving arms...God Bless....

“ *What a lovely picture of Cristi. We didn't know her then, but we have known her for the last nine years or so, and are so glad we did. She definitely will be missed. Every time a red car goes by, I look to see if it is hers. Cristi was always looking for ways to help people. She enjoyed being with her mom and Jim dad who helped her in every way they could. We will miss her lots, but she is in a good place and now she is watching over us!*

“ *Luci and Sheryl, My heart aches for you. I haven't seen Cristi since she was a little girl, although she called me a couple of times a few years ago and we had some very nice conversations. She revealed to me that she loved the Lord, so I'm confident that even though I never saw her face to face as an adult, I will see her in heaven. Love you both and am so sorry for your loss.
