“ Kurt will be missed by so many friends and family. Roy and Kurt played some great music together here on this earth. Now they are playing great music in heaven again together. Love you, Bertha and wish I could be there with you. God Bless, Margaret

“ My favorite memory of Curtis was visiting he and Bertha. Pasco and I enjoyed both of them coming to our house occasionally by motorcycle. We enjoyed visting the fish camp and the music. May he rest in peace. Love you all.
