“ *Cindy was my dear cousin. As young children, we used to play and go swimming when we came to visit. I am glad that I got a chance to see Cindy earlier this year. She had a huge smile when we saw each other. We had a good time talking. She had us laughing every time!! I am praying for Buddy and the step-children, grandchildren, Aunt Betty, Roy, Donna and family, Lorrie and Bill. I love you all so much! With much love and hugs to all of you!! Ann*

“ I did not know Cindy for long but she made a HUGE impact on me. She was always there if you needed anything whether work or personal. Cindy would stop by my room early in the morning even before the sun came up to just talk and see how things are going. She made a point to know and enjoy everyone around her. She is greatly missed and will never be forgotten. Cindy was a friend and a mother figure to all of us.

“ I was blessed to have known and worked with Cindy both at Wesley Chapel Elementary and at Watergrass Elementary. She was a wonderful woman! We all were "her" teachers at "her" school. She will be missed dearly and remembered with love.

“ I am sending prayers for Buddy, Cindy's mom and other family members. May God's peace be with you. I am one of "Cindy's teachers" at Watergrass Elementary. I love how she always claimed us all as "her" teachers! She is loved and will be missed.
