“ *Virgil and I thought so much of Cindy. He loved to tease her. The funniest time was when we were at the beach and ran into Christina and Lee , Cindy was back in the room and Virgil called her pretending to be a secret admirer. We all had a good laugh, and she did too after the shock wore off.*

We knew her from church, but I got to know her well when she taught our grandson Brantley in Pre-K.

Our loss is truly heaven's gain.
