

Cynthia "Cyndi" Ann Fussell Sienuta

June 10, 1958 - March 10, 2025

Cynthia Ann Fussell Sienuta, a treasured sister, Aunt, and friend who was known to loved ones as "Cyndi," passed away on Monday, March 10th, 2025. She was predeceased by her parents, Charline Hester Fussell and Lewis Fussell; her beloved husband, George Sienuta; and her cherished nephew, Andrew Fussell. A graveside service for family and close friends of Cyndi's will be held at a later date.

Cyndi leaves behind her brother, Steve Fussell, and his wife Joni, as well as her nephew, nieces, and great niece: Greg Fussell, Melissa Fussell, Holly Zhadanovsky, Taylor Fussell, Savannah Fussell, and Elena Wong-Fussell. Cyndi also leaves behind her loyal dog, Trudy.

Cyndi's love was a testament to her faith in Jesus: it extended far beyond her immediate family. She was a maternal and sisterly beacon to many, including Michelle Butler-Grice of Greenwood, FL, and Amanda Kilcrease of Leesburg, FL. She was known for giving heartfelt, thoughtful gifts to loved ones.

Blessed with the freest of spirits, Cyndi appreciated life's simple joys. She was a true flower child who enjoyed the tranquility of the outdoors and always found time to pot heirloom plants and herbs for friends and relatives. She loved collecting shells on Honeymoon Island with her Momma and eating the fish her father caught at our famous family fish fries. A lifelong hippie, Cyndi

was a Janis Joplin fan and vinyl enthusiast. She proudly displayed her upside-down ZETA7 license plate until her last day on earth--if you know, you know.

Cyndi was a master floral designer, an expert crafter, and a skilled seamstress who sewed clothes and bedding for her nieces and nephews. She had an eye for beauty, and she was the sort of cool Aunt who would buy her niece a first tube of mascara and flat iron and teach her how to use them.

Cyndi once said that she wanted to leave a legacy, and she certainly has done so: she will be remembered for her selfless acts of kindness. She sacrificially provided her time, wisdom, and dollars to those facing hardship. Cyndi's ability to listen with genuine compassion and her unwavering dedication to others will be profoundly missed. "Bushel and a Peck" Cyndi, we'll see you in Heaven.

“ I’m so sorry to hear that Cyndi has passed. I remember her lovely smile and beautiful personality. I’m happy to see that she continued to sew and craft all of her life. I am almost positive we took Home Economics together in high school, which is where I learned to sew. I am so sorry for your loss.

Such fond memories of Cyndi her kindness and warmth touched many lives. My thoughts and prayers are with you, Your ol neighbor and friend Tina Goddard
