“ To the family of Cindy Lou lavender I am heartbroken to find out the news of Cindy's passing! She was one of my first friends when I moved to Florida in 1978, She lived & worked with my sister, Donna. Cindy helped my sister & I when we opened our Health food cafe/store "Nature's Nut on John's Pass Village, we carried her Aloe makeup. I have so many fond memories of her, she was a special person! Cindy was in my wedding in 1984 and sent gifts to my firstborn daughter, she had the most beautiful bridal shower for me in Fort Lauderdale! Cindy Lou was the most caring compassionate friend that I've ever had!! I live right here in Orlando Florida. I've searched her name several times to try to find her. I didn't think she made it out of Fort Lauderdale? I was so pleased to see that she had married and has a son and a grandson!!!! know it might be too hurtful for you to share, but if You feel that it wouldn't upset you to tell me what happened please share! gosh I've been grieving all day for her!! I'm sorry and I don't mean to bring it up if you're healing? I did say a prayer for you and the family!! I don't know what happened??
my name is Leslie Polivka - Adams and my sister is Donna.
God Bless
