“ We were so blessed in this life to have you as a sister! We know you're in a better place, no more pain, no more sadness, no more sorrow and we will miss you more than can be imagined. But, we do take comfort in knowing that you're watching over us and are constantly with us. We love you so very, very much and will always love you. We will never forget the joy you brought into our hearts, our home and our lives. We Love You
