Cindy's presence in our community was an outstanding one, as she had a lot of friends and was involved in quite a few activities, Cindy and Ken were always busy doing something! She was a beautiful woman, very kind and caring. I met Cindy and Ken when I had an opportunity to help them with their Real estate needs in Stonecrest. And then soon there was a wedding and so the happy story continued in their new home. It was an honor to work for them and to know them as part of our community family.

I pray the Lord brings comfort to Ken and the family as they endure this tremendous loss of such a beautiful woman. Our prayers are with you all.

Sincerely,

I will always remember her from the first day we met. We became dear friends and remained dear friends to the end. I will miss her beautiful smile and great personality. I know we will meet again in another life and this time, she can show me the ropes. Love you girlfriend... Sandi Stewart

So sad that she passed away having made the choice to not get to know and have a relationship with her grandchildren. Such a tragedy for her.

Carissa, how truly sorry I am for your family. I knew you when you were about four years old. I ended my friendship with your mother, and if you care to know why, please get in touch with me.
