Daisy was an awesome friend, I loved her so much. She was so smart & witty. We have been friends since I was a little girl. Later in life I called her “Hollywood” 😭 she will be so missed by so many. I know I’m going to miss her. Rest in peace, my friend. 💔🙏✝️

Wow, where do I begin? I'm sorry I wasn't there to pay my respects to someone so dear to me. I had the privilege of knowing Daisy for 22 years and held the title of "her favorite SIL" by default of course. Our relationship was based on mutual respect and a love for each other. My heart breaks knowing that she has passed but I know she is at peace. I will miss our conversations about life and her fun spirited personality. I hope you all know that I love you and your all in my thoughts.
