“ So Sorry to hear of Dale's passing. I worked with him at the county before retiring in 2010. He was such a great person always helpful and kind and always went the extra mile to help with all kinds of projects. What a sad thing to read of his death after just recently talking with him. Prayers to Sharon and Dale's family for God's comfort to keep you as you go through this ordeal. He will be sorely missed by all who knew him.

“ I would like to thank all who share in this moment of loss and for all the kind words and support. We appreciate each of you and thank you for sharing your memories and knowledge of Dale with us as well as your condolences from as far away as Canada. We light this candle that those who knew him will smile upon the memories of him months and years from now; and to signify how bright it makes our lives in this moment to hear your support and have your love; and we light it as well to guide him to know "the light is on" and we will not forget. Until we meet again our friend. THANK YOU ALL.

“ I would like to tell everyone that came to say their good byes to Dale and support me thank you so very much. Dale was a hard working man and we had hoped someday we could retire together and go to the mountains to spend the rest of our days. He truly loved his daughter, son and grandsons. He was very proud of them and only wanted them to be happy. This is the greatest loss I have had in my life and I pray it will get easier. He was my rock and the love of my life and my big Teddy Bear. Thank you for all your thoughts prayers and support.

“ I met Dale when I started working for Children's Home Society in Tavares, FL over 6 years ago. He was our maintenance man for our buildings here in the DCF complex. He went above and beyond his job duties. He was a great man and a good friend.
