“ I hardly know where to begin. My Uncle Dale was one of the greatest human beings to ever walk the face of this planet. To say that I will miss him, is a gross understatement. There will always be a hole in my heart until I can see him again. I will miss our talks and our walks.

My Uncle Dale has been one of most special people that I've ever known. He was a man of character, honor and integrity. He was hard working and talented. He was kind, patient and understanding.

He demonstrated commitment throughout his life by contributing, sharing and being productive. His willingness to talk about his experiences inspired not only me but I am certain all that have had the great fortune to have known him.

Thank you Uncle Dale for all that you have done for your nation, for your family, for your friends and for me.

*Love,
Janelle*
