March 31, 1949 - February 14, 2020

In loving memory of Dale Craig who is "just peachy," as he looks down from Heaven, watching over us all. On February 14th, 2020 Dale stormed the gates of Heaven to join his forward Veterans that have waited for his arrival. He passed away peacefully in his favorite state of Florida. Dale was born in Grand Rapids, Michigan. He enlisted in the Army and proudly served his country in Vietnam as an Engineer. After his service, Dale retired from many years with Grand Valley State University. Dale enjoyed fishing, traveling, and bossing his wife around, or maybe that's the other way around.

Dale is loved by many and has influenced the lives of countless others.

He is survived by his wife, Suzanne Stank, his children Heather Nyholt, Rochelle Stank, Sarah and Jay Heitink along with his grandchildren Arrianna and Dezmond Harrell and Ally, Andrew, and Adyson Heitink. “ Dear Sue and family,
It's still hard to believe that Dale is no longer here with us. We never did get to take our cruise and I think we almost had him talked into it!
We will think of you both each time we go into Home Goods. We loved Dale and just clicked with the two of you from the start. Please stay in touch. We love you

“ I use to date his sister Shannon in school, he was always so protective of her but he really was a nice guy. So sorry to hear of his loss. We would post back and forth on Face Book.
