“ My heart was caught when I read you lost your precious daughter and I wanted to send my warmest condolences to the family. To lose a child, a part of you, can bring such overwhelming grief but Jesus assures us at John 5:28,29 that you will have her in your life once again without the pain we see today. Until God's promises come true may every good thought, every memory of the love you felt, flood and overtake you with calm and peace to help you through the dark moments. “ I can only say that this young lady was a touching part of my life and my recovery from my traffic accident in August 2018. She was a welcoming heartwarming smiling friendly wonderful person who turned a negative situation into something that I missed when the treatment was over. Thoughts and prayers for the family as this young lady was called home For reasons we will never know but her future was filled with positivity and success without a shadow of doubt.

“ So sorry for the loss of your beloved Dallas. Please find comfort in the loving promise from our Father Jehovah that we can see our loved ones again right here on earth at John 5:28,29 when He calls them from their memorial tombs.
