“ I was very saddened to hear of the death of Dalton. I have recently mourned the unexpected death of my brother and of course my heart still breaks with the loss of Mark, but I can not even imagine the grief and heart break to lose a child. My prayers and thoughts are with your family, the Dobson family has been a special family to me over many years and I join together in your time of sorrow.

“ I didn't have the chance to care for Dalton often in the oncology clinic, but the times I did I found Dalton to be a nice, polite young man. His fiance and little boy were always with hime. Such a loving and beautiful family. I can't imagine the pain your family is going through. Our deepest condolences from the oncology clinic.

“ So sorry for your loss there's just not enough words to say at a time like this. We also lost a friendI always thought he was a super guy a true man who in a lot of ways reminded me of a brother I lost from a hunting trip back in 1990. They both like doing the same things I only know that Dalton will be missed R.I.P. Dalton till we all come home I only say bye for just awhile.
