

Damian Shawn and Dominic Shane Pelfrey

April 16, 2022

Damian Shawn Pelfrey and Dominic Shane Pelfrey, of Leesburg, Florida, passed away on April 16, 2022. Born and raised in Leesburg — Damian on April 3, 2018 and Dominic on December 3, 2019— they filled every day with joy, laughter, and love.

Damian, at just four years old, was full of curiosity and energy. He loved exploring the world around him and never met a toy car, puddle, or sunny day he didn't adore. He had the sweetest smile and the purest heart, sharing kindness and joy with everyone he met.

Dominic, only two years old, was his brother's shadow and partner in mischief. His giggles were contagious, his hugs impossibly warm, and his love for his family endless. Together, Damian and Dominic were inseparable — two bright lights who brought sunshine into every moment.

They are survived by their loving mother, Miranda Martin, and their siblings, Daylen Pelfrey, Draco DeGrego, and Mila Martin, who will forever carry their memory in her heart. Damian and Dominic were and always will be their moms' greatest treasures — her angels, her joy, her beautiful boys.

Though their time here was far too short, the love Damian and Dominic shared will live on forever — in every memory, every whisper of laughter, and

every heart that was touched by their sweet spirits.

They were — and always will be — deeply loved, deeply missed, and never forgotten.
