“ Dear Bedgood Family, My name is Winter.I live in Sumter County.I volunteer here comforting people with the Bible. I am so sorry for your loss. My condolences. I thought that maybe what I share with others at these times could be helpful to someone in your family. I have personally used these to help me express my grief from the loss of my loved ones. Not all may help you, it depends on the person but, one may. Talking about memories of Mr. Bedgood. Writing out your feelings. Crying and reading about the ressurection hope or the promise of death being no more in the Bible. A few of these verses are Acts 24:15, Revelation 21:4 and John 5:28-29. I hope this helps, my condolences to you all. Sincerely, Winter
