“ My heart, thoughts and prayers are with you all. Dana was a great wife, mother, grandmother, Aunt, sister in law, etc. I know we all want her to Rest In Peace. She is being well taken care of by all the ones that went before her, which is to numerous to mention. I see the big smile on your Daddy's, my brothers, face as he held his arms out to her. They are together once again forever, just as they promised each other so many years ago. She left many good memories. Love you all.

“ My dear Marlene, I know this is a terribly painful time for you. I am so sorry. Please remember all the time you spent with your Momma. You took such loving care of her!!! Your sweet babies were always visiting their Granny and giving Granny kisses. You did your Momma proud. Lots of love, comfort, courage and prayers to you.

“ Our family lost a loving matriarch, and the world lost a wonderful person. We should all be so lucky to be remembered the way Aunt Dana will be when our time comes. She was caring, compassionate, giving and brutally honest; she gave me a home when I didn't have anywhere to turn. Thank you for being there Aunt Dana, it makes me smile a little to think of Uncle Butchy asking what took you so long, you have a lot to catch up on. The world needs more people in it to live the way you did. I love you.

“ Marlene, I'm so sorry to hear that your Momma has gone, but try to find comfort in knowing she is no longer suffering and that's she reunited with your Daddy. You are not alone, so please reach out if you need anything.
