“ Please accept our condolences of the passing of the Grannie Powell. She was a wonderful model of a woman for any young lady to model themselves after. She was always a kind and gentle to my children, Leeland, Brian and Carisa and an important part of our lives for many years. She was loved by this family even after we all seem to loss contact with each other. I accept our apology for not attending her services, it was due to my illness that we were unable to attend. Sincerely, Andy and Gayle Ponteaux

“ Dear Family, I would like to send my condolences. It can be extremely difficult to lose a loved one. That is why I wanted to share the hope found in the bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will come out." And at Revelation 21:3,4 it states that there will be a time when "...death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and I hope it does the same for your family. With Love, Loren
