“ I love you Dad forever and always. I will always cherish our time together. I know you are probably cutting a rug with Uncle Ricky and looking down on all of us. I am proud to be YOUR DAUGHTER. I miss you already but I know you raised me to be strong and that's what I am going to do. I will continue to raise the girls just like you raised me. Until we see each other again Fly High and watch over us. You were truly one of a kind. I love you!

“ Please accept my condolences for the passing of your dear loved one. When someone we love dies, the heartache and grief can be great. I hope that you can be comforted knowing that God cares for you and sees your pain. (1Peter 5:7) "He is close to the brokenhearted and He saves those who are crushed in spirit". (Psalms 34:18) May you find comfort and relief during this grievous time, as you cherish the precious memories of Daniel.
