“ Dan was also a raging racist who sadly won't be here to rage that "all lives matter" as the world changes to treat the minorities he so distained equally.

“ I am very lost now that you have been called to the home above. I think back to all the fun times we had good and bad. You always had a great attitude and a great personality. You always gave a lot of yourself and showed us all that a good person is and that you are. One day we will meet again and we have a lot to catch up on Family, friends and most of all we will have fun in doing so. So this is not good by but a sault to you and I will see you one day, for now, friend rest in peace.
