“ Dear Harrin Family, Hello. My name is Winter. I wanted to leave my condolences for the family. I am sorry for your loss. I am involved in an international volunteer work. I spend many hours sharing comforting thought from the Bible with people I meet. This is just a little of what I share. John 5:28-29 is where Jesus said 'those is the memorial tombs (grave) will hear his voice and come out to a ressurection.' Those ressurected ones will have oppourtnity to live on a paradise earth. Which was God's original purpose. It still is. Psalms 37:11,29-'the meek will possess the earth and find exquisite delight in the abundance of peace; the righteous will posses the earth and reside forever upon it.' I hope these few verses help. May you draw great comfort from them. Sincerely, Winter Gainey

“ If tears could build a stairway and memories were a lane, We would walk all the way to Heaven, to bring you home again No farewell words were spoken, no time to say good-bye You were gone before we knew it, and only God knows why Our hearts ache in sadness, and secret tears will flow What is meant to lose you, no one will ever know We miss you so much, love always ,Shannon, Aliyah and Aiden

“ My thoughts and prayers go out to Randy's family. I have not seen Randy in many years but he was an important part of my life in my teenage years. I knew his family very well years ago. I cannot imagine what his family is going thru right now. im sure he will be missed dearly by the ones that loved him so dearly. Rest in peace Randy. your family will continue to be in my prayers.

“ We are deeply saddened by the sudden and senseless loss of Randy. Randy was like a brother to us. I think he was more like a brother to me and a son to Larry (even though Larry was only a few years older than him). Randy had just recently talked to Larry. He called him to tell him about a big buck that he had seen while trimming trees. Randy may have been trimming trees but he was a truck driver at heart. A darn good one too!! We employed him for several years in our trucking business and he was a major player in the growth and success of it. We would best describe Randy as a hard worker and a good man with a BIG heart that fought a constant battle. Through all the sadness, may we all find comfort in the good memories of Randy and in knowing that he is finally at peace. May God bless Randy, his family and Gloria.
