“ *Dear Rosie my loving sister, words can not describe what you are feeling right now but, I hope you find peace in knowing that you have made Joe's last period of time here on earth the most comfortable, pleasant and love-filled time that anyone could wish for. Your "Honey Bunny" is now free of all earthly burdens and is playing that endless game of golf while awaiting your next reunion together in our Lord's eternal resting place. Although he is gone in the physical sense, he will be with you always in your heart so he will be forever with you. I am always here for you, Joyce*
