“ A thought of comfort and condolences to the grieving family. May Dan's soul be at peace with our Heavenly Father.

My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going.”
