“ I was a classmate of Danny 1968 UHS as well as played football alongside Danny. He was a quiet yet strong leader . Danny was one you could always count on to do the right things. After HS we lost touch have not seen him in over 50 + years but will forever treasure the generous and friendly fellowship we shared. I know the family will miss him greatly as we all do when a loved one joins the heavenly forces.

Always remembering my friend.
