“ I'm saddened to hear the news of Dan's passing, but I'll remember him as a great uncle. As a child I always looked forward to the visits to Bancroft. Sorry that I can't be there for the visitation tomorrow, but my thoughts will be with you. Love, Brian

“ Fun fun times. Camping in Michigan, finding bear _____. Thought he was kidding his mother-in-law until we got home and received a newspaper article stating they had caught a black bear not to far from where we were camped. You were a good old boy and I will miss you. Love Maw

“ I will never forget him backing his car hauler into that driveway up in Michigan and letting me stand right beside the driveway!! Never even came close. He was by far one of the best truckers I have ever seen drive!! And I would say that even if he wasn't my brother-in-law.
