“ I worked with Danny when he hired on with Centel in Hickory NC in the early 1990's. He was always pleasant to be around and he always tried to assist when asked. We worked with several areas across North Carolina and I never heard any of them say anything but kindness and appreciation about his work ethic. I am saddened to hear this but I have fond memories of his contagious smiles when we worked together. My prayers are for you that God will shower you with peace and comfort. Sincerely Dennis Simmons.
