☐☐ ❤️ *Love you forever Dad* ❤️

There's no denying dad and momma we're the strength and foundation of our lives. Dad brought to it silly fun and great adventure, ingenuity and inspired creativity. He encouraged outdoor amusement and skills. He brought an appreciation to so many things. His connection to family among the best gifts we could ever want.

“ *I know Dan as being the best boss an employee could ask for. More than a boss he was a true friend. Even sometimes his sweet sarcasm was admirable. Didn't know if he was serious sometimes until I would see that little grin! I will always remember him. Bless all his family and friends.*

“ So much I could say about this beautiful soul. Dan was a wonderful person to all. I remember me and Mamma Knain going to your work and having lunch in the cafeteria. We were all always going out to eat. Dancing with your beautiful wife and seeing the joy and love between you both was so admirable. Always in our hearts. You are already missed dearly. My prayers and condolences to all the family.
