“ Dear Dad, You will be greatly missed dad; to be absent from the body is to be present with the Lord! 2 Cor.5:9

*But you said you will be in hell to regroup with your friends. How you hated me coming to know Jesus Christ. Our house never reflected a God fearing home. Instead it was quiet the opposite giving praise to the enemy of our souls.*

“ We are so sorry for your loss. As one remember this man of substance, a man who was well traveled, no doubt we also remember what Jesus said about this situation at John 5:28,29, real soon all those in the graves or memorial tombs will hear his voice and come out.

“ I am very sorry to hear of your loss. I worked with Darrell at Maitland Police Department when we were both assigned to the Detective Division. I always enjoyed his company and, like he was, I am a Navy veteran and Special Operations warrior. I lost track of him after his retirement when I understood he was relocating to the Panhandle to live and fish and enjoy life, so am somewhat surprised to read that he was living in the Mount Dora area. I wish I had had the opportunity to visit with him before his passing. He will be remembered for his many contributions, his loyal service to his country and especially for his friendship.

My father Darrell Pampel Sr. Skipped town for one of his operations in Vietnam. He sealed his packed and returned stateside. He lost a strip for pulling this stunt. To this day I don't know if he was still part of the team ?

*I respected Dad but was angry at him for what I had to endure growing up. I know there were secrets because some things were not told to him. Also it is a lie to think you will meet on the other side. Because that is not what the Bible teaches.*
