“ So sorry to hear about Dave, he was so wonderful and I very rarely heard him say anything, but when he did it was so soft and with feeling. I had asked him about stakes for my tomatoes the night before his wreck, and 2 wks ago he looked at me and said "I haven't forgotten you" he paused for a second and then said "I'll get those stakes to you" With all he was going through, he remembered the stakes. Thank you Lord for such a good man.

“ Julia, Chris, Stephen and family, We are so sorry for your loss, but we know your loss is Dave's gain. He is now healed...completely, forever and eternity. He's passed through what comes to us all in our designated time...he's basking in his victory. He left us way too soon, but right on time in God's book. He was a fine man, an example that others can aspire to. Take comfort in knowing that he's in heaven. Hold tight to your memories. They will be treasures that no one can steal or destroy. Know that you are loved and we share your loss with you. We will continue to lift you up in our prayers. If we can do anything to help, please just call.

“ Dear family of Dave, I'm sorry about your loss. I just wanted to share a comforting thought from the Bible. The Bible promises that God will eliminate death and the sorrow that comes along with it. (Isaiah 25:8). God also promise to very soon ressurect some who have died back to life (John 5:28,29). Until that you can turn to God in prayer for comfort.(2 Corinthians 1:3,4).

“ Dave, it is weird that I am writing this exactly one year to the day that I met you, but in the short period of time that I have known you and worked with you I have come to know you as a wonderful, ethical man; whether it comes to business or personal matters. It doesn't matter if I call you at 6:30am or 6:30pm you always take the time to talk and help me work through whatever it is. You are a very unselfish person who put everyone else's best interest first. You may no longer be with us in the physical sense, but from a spiritual sense you are still right here! You and your family are in our prayers and we know that you are now in a better place looking down upon us all. You will be missed but not forgotten. “ Dear Mrs Soroka & Family , I am so sorry to hear of Dave's passing , your husband and father helped so many people in so many ways that words can not explain. But , by what he did for us , and so many others out there , placed him with the lord by achiving the lord's work . He was truly a man that God put on this earth to help his Fellow Man. I could only hope to be half the man that he was and learn by his example. May God Bless you and your family. Thank you Dave for touching my Life.

“ Mrs. Julia, Christopher, Stephen, Mom & Sisters; Everyone is deeply saddened on the sudden passing of your husband. Dave was a great boss to me and I will miss him very much. I know this is a difficult time for you, however, if it is any consolation, Dave was very much admired and respected, and I can truly say that I have never heard an unkind word spoken about him. I know what your going through being that my dad also past away at 54 of the same sickness, 4 years ago and Dave told me to be strong so I tell you as well to be strong. Dave and my Dad had very much in common and that is that they both trusted in the Lord and that they are both now shaking hands in heaven. Please extend our deepest sympathy to your wonderful family.
