“ I was a lucky man to be a friend of Harold's. He always had a positive attitude and found happiness in everything. Whether we were working or sitting on his porch talking about family, chickens, gardens, or work, he was always engaging and generous. He will be missed.

“ I am truly sorry about your loss, Harold was a wonderful man and a good friend to my Husband and me. He helped me allot this past year with the passing of my Husband in the spring of last year, things that I took for granted that Jim just did. Harold mowed my lawn and trimmed bushes and trees and even fixed the dreaded sprinkler system. He will be greatly missed. My thoughts and prayers are with you and your family.

“ Judy: Jim and I just found out tonight about Harold. We are in Shock. Harold was our landscaper but way beyond that he was our friend. Harold was, without a doubt, the kindest, most thoughtful man we have ever met and no matter where we have gone we have always talked about what a great person he was. That is what we will miss the most. You are all in our thoughts and prayers. If there is anything we can do for you please let us know. Love Kim, Jim, Jamie and Taylor Davis
