“ Ok so I have spent some really awesome times together with you and your family. Fighting the C& D landfill aka DUMP which is where we met, you were fearless and relentless which was awesome to watch. We really fought a great fight but the cards were stacked against us. Then. Going to the BikeFest in Leesburg and seeing The Marshall Tucker Band (I have pics somewhere) and is my favorite band and we had so much fun. It was truly a blast!!! Trying my best to sell your log cabin 1 lot over from the Dump which was an Amazing property and was so proud to have as a listing. Too bad there was no lining in the dump as there was more than construction debri going in there as we /you knew and documented. Ruined the land and underground for all those properties within a 5 mile radius . Your property was so beautiful!! What a shame. Then when I moved to Sarasota - you guys came and stayed with me while your daughter had her swim meets. I just remember laughing and laughing together and consider you such a great friend. I will miss your craziness and your character David. Surely one of a kind. Your love for your family was incredibly and undeniably. Bull headed for sure but you were an Italian. A force to be reckoned with. Love you always and RIP dude. Your friend always. Howey Patty.

PS. If they come after me after reading this - please be one of my guardian angels and protect me and Ill see ya on the orher side and we will definitely hang out laughing and smiling again
