“ My deepest sympathy to Dave's family. I am going to miss him greatly. We have been friends for 18 years. I am going to miss his smile, his crazy sense of humor and his friendship. I am going to miss hearing him say "Tabmeister" the most. You will forever be in my heart. You were an awesome friend. Give our baby a kiss from his Mommy and Daddy. He will be happy to meet "Uncle Dave". Until I see you again, I will miss you my friend. Love you always, Tabmeister :)

“ David was always such a positive person, great listener and great friend. One thing that I will never forget was his laugh, even though I hadn't seen him in many years, that laugh was unmistakable. RIP Dave, you will be missed.

“ You and DJ were a shining light in my life at a time when I needed it six and a half years ago. It was always a comfort knowing I could call you if I needed to talk and you called me quite a few times when you had decisions to make. You were a very caring person and I am very proud to have been able to call you my friend. You will always have a place in my heart and I will miss you terribly.
