“ *I am sorry to hear about the passing of Dave. I wanted to offer my most sincere condolences. More than just as a friend, I want to say how grateful I am as a citizen to have had Dave as my Station Manager at USIA-IBB Spain Station. Dave and I talked many mornings about the flew balloons, engineering, W4SG station and freedom. We must console ourselves with the knowledge that Dave is walking with our Lord. My deepest condolences, Valentí Carbonell 2LT V Carbonell SPAIN*
