“ To the Kauffman Family: Please accept my condolences at the passing of your husband & father. I first knew David when we were sent to France with the Air National Guard in 1961. It was ironic that after that we also worked in the same district with Schering Corp. I was in Ft. Wayne, IN. David was a good and loyal friend to me.

“ To David's family: Our sympathy is extended to you at this time of grief. We first knew David while he and his first wife, Jean, were in Terre Haute, IN. We worked with them in various TH District UMC projects. Beautiful spirits. David kept his zeal for life and doing for others here at Morrison UMC and the Leesburg community. We feel very blessed to have known him.
