“ my deepest condolence to Kathy and the enrire Klosterman Family. As a longtime friend , former neighbor, and card-playing guru, Dave was a warm, kind, caring man and a great friend, who always had a smile and a kind word for all. His energy and enthusiasm will always be missed, and I will fondly remember time shared with Dave and Kathy.

“ Dear Kathy and family, The only way that I can possibly lesson the deep burn that each of you must be feeling about now is to keep you close to my heart and to offer up prayer that peace will soon be yours while you celebrate the love and life that all of you shared as family and individually with Dave. Dave, I want you to know that I have admired and loved you over the many years. You have seemed to me to be one of the kindest and sincere guys I have known. It is also obvious how well you have loved and taken care of your Katsy and your whole family. You had that comfortable air about you, possibly due to the fact that you seemed more stable and accepting of the rest of us wild humans and just made us all feel comfortable to be who we are.. You, most likely, were unaware of all whom you have inspired in your life time with just your smile , words, and genuine concern> I do know that you have touched all of the Derrico hearts, past and present and we hope in some way to have touched yours. We love you.....it's time to celebrate your life and to congratulate you for a job well done,\. Enjoy your new home ...and we will see you later..your cousin..Dolly Wilson ,

“ Dear Klosterman Family, What a sad reason to reconnect with your family after so many years of not seeing or talking to you. The picture of Dave, especially his smile, reminds me of so many good times our families shared, especially those between me and Kim. I'll always remember fondly the trip I went with you to Maryland in that VW wagon, as well as all the other memories we share. I'm so sorry for your loss. My thoughts and prayers are with you all. Love,
Devoni

“ Dave: We just want you to know that we will never forget you. You have been such a tremendous influence on our lives. You have shown us what true kindness is and how to love somebody truly. You have shown us how to be good parents. These things you have shown us by the simple way you lived your life. No frills and fanfare, just honest devotion and love. I (Ed) will cherish the talks we had the last time I saw you. I will really miss you this summer when I am at the villages. I only wish I could be half the man you are. Please watch over me and help me to be more like you. We love you very much.
