“ *Deb, So sorry to hear about Dave's passing. We have so many fond memories of both of you during our Letterkenny days. The "Work Hard / Play Hard" attitude of the unit drew us so close together. Dave was brilliant during our work sessions and fun during our play sessions. I will always remember the BIG "A" volleyball shirt he gave to Gen "A" , telling him he could not think of a more deserving person to wear it. Please know we think of both of you often and our prayers are with you.*

“ Hi Debbie, A couple of days ago I bumped into George and Ginger Zimmerman at Gander Mountain (at the Mall), whom I hadn't seen a some time. We exchanged some memories of the old days of running, including the New Year's Day runs from Chuck's house in New Franklin. Must have been about when Dave died. My particular memory of him was when we were in one of those Letterkenny biathlons (whenever that was), riding up the miserable hill from the lake on the way back to the start/finish. I was pumping away at my sustainable pace when he passed me standing up. I guess in those days I didn't really practice standing up much. That's my explanation. Hey Dave, wait for me! Well, Merrilynn and I send our condolences as life goes on here, where winter still drops by. So we are told. Bruce

“ I feel fortunate to have know Dave through the years. He, as I remember, always had a smile on his face and good words for someone. He married a nice lady, Deb, and fostered many long term friends at HQ DESCOM. RIP Dave
