“ I was so sorry to hear from Patty about your loss. Your dad is still so clear in my memories even though I probably haven't seen him in 30 years. I wish you all the best as you go through this devastating time and you will be in my thoughts and prayers. You are all a valuable part of my childhood and the Fisher st. neighborhood and I am terribly sad about your loss. I will let my brother Michael know as well and I know he will be sure to put your dad in his prayers as well. Take Care. Laura

“ Dear Yvonne, Rhonda & Gary, I was so sad to hear the news that Larry had passed on Thanksgiving day. I have so many wonderful childhood memories involving your family, as I feel I practically grew up in your home. I will never forget the trip to Lake George, or the countless times Larry drove us to basketball practice and took us to church. My thoughts and prayers are with you all.

“ Yvonne, Gary and Rhonda, I am so thankful that the Nevins family came to Natick and Foley Drive and I miss those days. I posted the following note today to my Facebook account so that all of my friends could see how much impact you can have on young people if you are willing to make an effort, by spending time and sharing your passions with kids. Larry Nevins had a tremendous impact on me and I am very thankful to have enjoyed many years with him and your family. "Mr. Larry Nevins, a man that spent countless hours teaching me how to play basketball and baseball, how to be a good sport, that excellence in sport and fitness comes with hard work. He taught it all by example, by taking the time to bring us to the field, the gym and sporting events. A second Dad to me in many ways when I was a young man, lost a long battle with a debilitating disease and passed away on Thanksgiving day. Thank you Larry, your efforts helped me a great deal and I try to live by your example." Every young person deserves to have a Larry Nevins in their life. I am sorry that he has left us at such a young age and I will be thinking of you guys this week as you say goodbye. Joe
