“ I'm so sorry for your loss, Aunt Ruthie. I have fond memories of David visiting us in the summer on the farm in Hillsboro. He was always such a kind and gentle person. I know that he is waiting on all of us in heaven right now, but that may not help relieve the pain that you feel right now. Please know that you and your family are in my thoughts and prayers every day. I love you very much. Your niece, Becky

“ *The best memories of my uncle was having Christmas at grandmas with the whole family. It was the little things that counted with my uncle just sending a birthday card or holiday card... he treasured the simple gestures people made. He knew how much his family loved him and regardless of distance or time he knew he was loved and cared for. Uncle David I know your in a place now where you can be free of pain and that a new chapter in your life is starting... And that's why we need to be strong because you are on a new journey and watching over us in spirit for love and support. I love you and know youre doing just fine <3*

“ You were always there for almost forty years and now you are gone. You knew more "secrets" than anyone, even my brother or husband, and listened during complicated times. You are already missed.

“ There are no words to express the loss of my baby brother. He will be missed the rest of my life. Though the miles separated us our hearts did not. He was a generous sweet man. He loved all of nature (and his 12 cups of coffee a day) he was a loyal friend and brother. I typed one oh these before. So if this is here twice sorry he was such a fun kid and turned into a funny adult. He was a great uncle to his niece's. He loved animals and treated them as people.a sign og a good man. Je also has step brother curtis he wa ver clost too. To him being bound to traditional bloo relatives did not matter, if he daw you as famil you were familym I love you and always will my brother. You made a difference. ..

“ My uncle David was an amazing person, I don't have a memory of him where he didn't have a smile and a joke for me or something to make me laugh. He was one of the most thankful and loving people I have ever met. The thing he was always the most thankful and surprised by was the love that others had for him. He never seemed to realize what a gift he was to all of us. He would be so incredibly moved by the love and support that everyone has shown for him and our family during this time; I wish he was here to see how many people he touched and who cared about him. Saying that he will be missed doesn't even begin to describe the loss of such an amazing, caring, and peaceful person; the world is a less bright place without his presence.

“ Dearest Aunt Ruthie, Uncle John, Teresa, Rick, Zandra & Family, We are so very sorry to hear about David. It was a shock. He was a wonderful man. It is so terrible for him to leave so young. I wish I could take your pain away. Just try to think he is in heaven now with Grandma & Grandpa McKee and Daddy and all of our loved ones that have gone to heaven. They will all be there to welcome him with open arms. And we will all meet there with them all someday. We are thinking of you all and wish we could be there for you. But always know we are here for you. We are praying for you all to get strength to help you through this terrible time. We miss you and Love You All So Very Much.
