“ *He was not a perfect man, but he taught me how to be a man. He was not a perfect father, but he taught me how to be a father. I now leave my grandsons and son in his loving and guiding hands, and trust we will be together soon. Take my boys in your loving arms, and care for them, and my sister, until I get there. I have loved you more than you could have known. I am just a poor copy of you. See you soon....Dennis*
