“ I met David in the summer of 1969, he sat behind me in American Lit class in summer school. We had alot of fun times together. I came back to Florida for a vacation last year and was able to see David and meet his awesome wife Glenda. I know David will be missed by all is family. I thank the Lord that He gave me a chance to see David again and make a new friend, Glenda. My heart and my prayers are with all of you. Love to you all, Margie

“ My send my condolences with a heavy heart, we have lost a dear friend & he will be greatly missed by family & friends. I will always remember him to have a quick smile & laugh & his willingness to help in any way he could. He was a classmate & I'm glad that in later years we reconnected & that he was a friend I could call on when I needed help.

“ Our sympathy for Davy's family for their loss. We have fond memories of the "good times" that we all shared long ago. We can still recall little Piggy saying..."can of corn & bucket of worms."

“ I was just shocked when I read that Davie was gone. It has been a while but he was always a wonderful friend with a gentle heart. I will never forget that smile with those twinkling eyes entering a room and making us all laugh. He was wonderful. I am so sorry that I let so much time slip by without the benefit of his company. I hope to see you all on Friday to celebrate his life.

“ Ben and Robert and all of the Perry family, I send this note with great saddness. I am truly sorry for the loss of your brother. It is always difficult to lose someone, especially a sibling. I hope that all of you find peace after the funeral. I am sure this is what David would have wanted. I send this with all of my love, Riddell
