“ Dear Presnell Family, my most heartfelt sympathies to your family during this time. I would like to share with you the most amazing promise that God has made for all of us. In John 5:28,29, his son Jesus Christ assures us of God's desire to bring back to life all those that have fallen asleep in death. God is longing to see all of his children alive, full of health, full of life and happiness. Jehovah God will make this a reality in the near future and David will be brought back to life. May this promise help you to wait expectantly for the day that you will see David once again, full of life and happiness.
