“ I'am so sorry for the passing of David, my condolences to the Sebastiano's. I too have recently lost a loved one and what brought me comfort was God's promise at Revelation 21:4 -"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". I hope this brings you as much comfort as it did me.

“ Dave, Been thinking of you all week, I was on vacation and usually forget about work but this time I couldn't and am still shocked...I will always remember you..You used to give Herb Sr. and I work orders and alot of times you would tell us to do a belt and filter inventory meaning counting them all..we used to crab about it but when done we would call you at home and joke around...actually the last thing you texted me was thanks for doing the belt inventory for our facility shutdown coming up... You will be missed! Your friend Herb Jr.
