“*Dave, you fought a long fight. You were a good man and always had a smile and a joke for everyone. Judy will be lost without you. She is a tough cookie and even though she will miss you, she will be ok. You were taken too soon, but you are at peace now. Will always remember you.*

“ For my big brother, just wanted to say "Thank You" for serving our country's freedom. You gave so much of yourself. My memories of you will never fade, the time you put bubble gum in my hair, the time you fell out of the swing and broke your arm; I could go on, but I remember your favorite sandwich of peanut butter and sweet pickle; that is also my favorite sandwich. Randy and I want to extend our condolences to Judy and "the boys" and to the grandchildren. You will be sincerely missed **BUT NOT FORGOTTEN**. You have never given up on anything without a fight and this dreadful disease was no different. We will continue to do research and get to know Multiple Myeloma better so we can understand the disease process and hope to help others. Love you Big Brother. Sis aka - Judy Brown

“ I'm so blessed to have Uncle Roy as my uncle. Peanut butter and pickle sandwiches and the famous Shaffer ice cream sundae is what I remember having when I stayed with them. He could always keep you laughing. Thank you Uncle Roy for serving our country. My prayers will be for Aunt Judy and the boys familys in the days to come.. Love Vickie
