“ David, from day 1 your were my go to guy. In the 12 years that we worked together you never once let me down. Your Can-Do attitude and your ability to get things done made my job so much easier. You were so much more to me than just a co-worker. Dave you were a friend. You taught me so many things, Days when I was down you were able to get me to laugh. You will be missed but you will never be forgotten. Rest in peace my friend, rest in peace.
