David is one of my nephews. Even tho I am his Aunt Lee, he had this special reference of calling me Aunt Bee. In case you don't know she was on the Andy Griffin show. It was his way of saying I was special to him. He always knew when he called needing help on his job, i would be there. Life entered and I moved to Ga. Didn't see him as much, but when I saw him last at Derrick memorial, we just looked at each other and mouthed I LOVE YOU. That's a memory I will always cherish. My condolences go out to Chris and the rest of the family. All are in my prayers.

“ I remember the day we met. At a bar, in Lake Panasoffkee. We talked all night, and the next night. Talked on the phone for days. I drove to Lake Panasoffkee for months. Finally moved there and shortly after that you moved in. And so our beautiful life together began.
