“ *I know that no words can help ease the pain and loss that you are feeling right now. You and your family are in my every prayer and thought. I am very sorry for the loss of Scott he was a good person and a friend of mine in High School at Tavares. Even though I have not seen him in years I remember him well. Scott was a big guy with an even bigger heart that liked to make people laugh and I remember him always smiling. The last time I saw Scott he talked about how proud he was of his kids. Let your hearts be blessed and comforted knowing that Scott is with the Lord and heaven may now be his home but for every time you think of him he will be right there in your heart.*

“ I am saddened to learn of Scott's passing. I knew Scott first as an EMT student, then a reservist with L-SEMS. Since Scott was in the field and much more experienced, he was one of the guys I gravitated to for support and mentorship and I looked up to him. Being a medic meant the world to Scott and his clinical knowledge and skills were exemplary. He was also among the cast of unique characters on the agency then and his jovial laugh was legendary. Though it would not become my primary career, I cherish those times and am so glad we got to share them. Rest easy, my friend. I know we will "ride together" again someday. Phil C.

“ Scott you will be missed. The talks we had really touched my heart. I know you were not happy in the situation you were in and I know you truly missed your children. You only wanted the best for them and you dearly loved them. You will not suffer the pain and humiliation no longer. I pray that your children will remember the happy times they had with you. May God bless them and keep them.
