“ Sometimes in life you have the good fortune to cross paths with a true humanitarian, a giver, a mans man. If you are really fortunate, that man becomes your friend, a true friend. We spent many years around the boat racing world. Dea was a true friend and beyond a doubt will be missed by all who crossed his path. To the family, I wish you peace at a time of sorrow. Just know, I'm here for you if there is anything I can do to support your needs, Much Love, Gary King

“ I told Dea many times that I felt truly blessed that he chose to work for Admiral/C&B Propeller. From him I learned so much about integrity and the right way to do business and treat customers. That was also reflected in his commitment to be a good father, husband and member of the community. He was rock solid, the real deal and is gone way too soon. Our condolences to Yvonne, and Dea's children and grandchildren, from Admiral/C&B and the Musselman family.

“ Yvonne, Dea was a great - great man and adored by many. A voice that will never be forgotten. I will always cherish the days at the races, - Old Salts tournaments , Beach fest and the many great times we have been fortunate to have shared with him. I know he's with Dad and Big Bob now and having a great time again. We have lost another great man! I'm so glad I went to Lakeland just a couple weeks ago and able to speak with him for a while and introduce Dylan to him. On our way home home I told Dylan about when Bobby and I would run all around the pits at Lake Maggorie and how Dea was one we would get excited to watch. If i can do anything please don't hesitate to ask. You and the family are in in my thoughts and prayers. Godspeed. Doug, Vicky, Dylan and Dylaney

“ Dear Yvonne & Family, Our deepest condolences to all the family in your great loss. Trail Blazing Sams definitely gained a great couple when the two of you recently joined our chapter. It saddens us that we did not get to know Dea better, but definitely knew in that short time what a fun loving person he was. God had a plan for Dea that none of us quite understands but we know that he is in Heaven now. May you find peace in knowing that as well as you have many friends to help you through the difficult times ahead. Please let us know if there is anything we can help you with.

“ Dea, you will be sadly missed. A true Old Salt thru and thru. You were a mentor, friend, hardworking and level headed, spoke your mind and brought a smile even in the trenches kinda person. I can say without a doubt I am a better person by serving with you and the Old Salts is a better organization from your service to it for so many years. Fast boats, tight lines & calm seas.
