“ Jerry,LaDonna, Neil and Mary (and other family members)...sorry to hear OF D's passing. She and Jerry were responsible for a change in my life...the evening I went with them on a "blind date" with Brenda to the movie "The Graduate". We were married three months later. The marriage produced a wonderful son, Kenneth Brister Jr. And a earlier memory was attending the marriage of Jerry and Deanna in 1958 (I was home on leave from the U.S. Army)...let's remember Deanna by reflecting on all the good times.She's now joined Brenda and other family member in a better place...and await our arrival.
