“ *Very nice person, was a co-worker from Wells Fargo. Enjoyed our talks at work. We talked through email after she had moved to FL. for a while, but did not stay in touch the last few years. Sorry, for your loss.*

“ *Roberta, this is Judith, Betty's daughter, I'm so sorry for the loss of your daughter. There is no greater loss and that of a child and my thoughts are with you.*

“ *Please accept my sympathy. Death is so very difficult even though we know it's a part of life it's still hard to take. We can look forward to the day at: Isaiah 33:24 where it says "And no resident will say: "I am sick." We can also look forward to the day when our loved ones will be resurrected to a peaceful cleansed earth for Psalm 37:11 says "But the meek will possess the earth, And they will find exquisite delight in the abundance of peace. May these words bring comfort to you today and the days ahead.*
